INTERNATIONAL SCIENTIFIC RESEARCH & DIGITAL PALAEOGRAPHY ARCHIVE

CERTIFICATE OF RESEARCH PUBLICATION

This is to proudly certify that the original research paper authored by

ADARSH S.

Department of Computer Science & Engineering, APJ Abdul Kalam Technological University, Kerala, India

entitled

"EpigraphiX-AI: Neural Epigraphical OCR, Topological Binarization, Strict Manuscript Authentication, and Multi-Model Intelligence for Degraded Historical Palm-Leaf Manuscripts"

has been peer-archived, verified, and officially published in the global open-access scientific repository with permanent Digital Object Identifier (DOI) and international bibliographic indexing.

Date of Publication:
August 25, 2026
Status: Verified Open Access

Verified & Certified By:
Editorial & Research Review Board
Computational Epigraphy Council
